

# An Abc Of Witchcraft Past And Present

## Raven Grimassi

*An ABC of Witchcraft Past and Present* Doreen Valiente, 2018-01-31 This is the only book of its kind on witchcraft that has been written by a practising witch. It is intended to be not merely a history, but a guide to the many strange byways of a vast and fascinating subject. Witchcraft is as old as the human race, and it is actively practised today, by people of all classes. To its devotees, witchcraft is more than spells and charms, or even secret meetings and rituals; it is a philosophy and a way of life. It claims to be the oldest form of religion, that of nature-worship and magic. Since the last Witchcraft Act was repealed in 1951, the revival of public interest in witchcraft has been the subject of continuous controversy. This book is a serious contribution to the study of a subject too long obscured by prejudice and sensationalism.

*An ABC of Witchcraft Past & Present* Doreen Valiente, 1980

**The Rebirth of Witchcraft** Doreen Valiente, 2018-01-31 Since 1951, when the last of the Witchcraft Acts was repealed, many books have been written about the reappearance of witchcraft and the development of a pagan theology. Churchmen have denounced it. Sociologists have wondered at it. Journalists have penned sensational stories about it. But until the publication of this book, no one had told the real story of it from the inside as frankly as it is told here. Doreen Valiente, one of witchcraft's most widely known figures, was a close friend of the late Gerald Gardner, generally regarded as the founder of present-day witchcraft. Initiated by him and for a time High Priestess of his coven, Doreen Valiente helped him rewrite his seminal *Book of Shadows*. She records the break with Gardner that split his coven, the controversy surrounding Alex Sanders, 'King of the Witches' and memories of many other witches whom she has known, including the lady called 'Dafo', Robert Cochrane, Leslie Roberts and Sybil Leek. Doreen Valiente took part in many witchcraft rituals and had strange psychic experiences as a result. Described here are the clairvoyant communications she received purporting to come from 'John Brakespeare', an eighteenth-century witch. *The Rebirth of Witchcraft* traces the lineage of the present-day witchcraft from its forerunners through to modern feminist neo-paganism and the new wave of interest in ecology and holistic medicine.

**Natural Magic** Doreen Valiente, 2018-01-31 Magic is all around us - in stones, flowers, stars, the dawn wind and the sunset cloud. All we need is the ability to see it, understand it, and apply it. *Natural Magic* explains how to practise the age-old white magic that village wise women have used for centuries. It deals with the magic of herbs and flowers, of the four elements, of numbers and colours, amulets and talismans, how to read cards, how to interpret dreams, and much more.

There are chapters on the secrets of sex magic, and on the use of traditional spells. If you want to learn to charm warts, to cast a love spell, or to plant a magical garden, this book will tell you how. An essentially practical treatise, which sets out to show how magic can be for everyone, and how, indeed, it has always been inherent in human life and nature. Both those who are new to the practice of magic and those with experience will find it delightful reading and an informative handbook for use in daily life.

*Witchcraft for Tomorrow* Doreen Valiente, 1993 Now reissued again due to popular demand, *Witchcraft for Tomorrow* answers many frequently asked questions about witchcraft including: 'How can I find a witches' coven?' and 'How can I become a witch?' Doreen Valiente tells you what the old religion of witchcraft has to offer the new age of Aquarius; how the age-old Craft of the Wise can be practised in the modern world; how to initiate yourself as a witch and found your own coven. The author, who was the leading figure in the establishment of the modern Wiccan movement, includes a new Book of Shadows (the witches' handbook of rituals and instructions) based upon ancient magical tradition but geared to the age of the future. There are witch songs, spells, incantations and practical advice on how to run a coven and how to acquire your own collection of magical implements; as well as methods of divination and other witch lore. The author shows how the oral traditions of witchcraft throw light not only upon the origins of the present-day witch cult and the activities of the witch leader George Pickingill and his covens, but also upon the mystery of the founding of the famous magical order, the Golden Dawn. Also discussed is the relationship between the witchcraft of Britain and Europe and the magical belief of the Far East. Do both traditions hark back to the legendary city of Shamballah and to the shamanistic practices of Asia? And why do the secret circles of the witches resemble those of the Tantric sex-magic of India?

*Witchcraft Past and Present, for the Millions* Marika Kriss, 1970

**Buckland's Complete Book of Witchcraft** Raymond Buckland, 1986 This complete self-study course in modern Wicca is a treasured classic - an essential and trusted guide that belongs in every witch's library.---Back cover

*Between the Devil and the Host* Michael Ostling, 2011-11-03 For the first time in English, Michael Ostling tells the story of the imagined Polish witches, showing how ordinary peasant-women got caught in webs of suspicion and accusation, finally confessing under torture to the most heinous of crimes.

**Witchcraft** Michael Streeter, 2020-03-03 *Witchcraft* unravels the myth from the mystery, the facts from the legends, in this bewitching introduction to witchcraft's lesser-known history. Spanning several centuries and comprising unbelievable facts and little-known legends, meet all the witches of your imagination and learn why, where and how it all began. Uncover the meanings of their rituals and rites, their lore, and their craft Discover the significance of their sabbats and covens, their chalices and wands, their robes and their religion. Unlock the secrets of the legendary witches of mythology and folk tales and find out how these early stories influenced the persecutions and witch hunts of the Middle Ages. Learn about the

people who inspired the pagan revival and how their work in literature and magic rekindled the fires of the sabbats across Europe and the New World today. Features spell-binding historic and contemporary pictures that perfectly capture the key characters, events and wonders of this captivating, colourful and controversial history.

**Modern Wicca** Michael Howard, 2010-09-08 An insider's look at the history of Witchcraft The evolution of Wicca is as dynamic and colorful as the Witches who helped shape it. One of the most enigmatic and progressive practitioners of his time, Gerald Gardner was arguably the most instrumental Witch in spreading the Craft around the world. Drawing on his decades of personal involvement with Wicca, Michael Howard offers an intimate portrait of Gerald Gardner's life and traces the history and development of modern neo-pagan Witchcraft. Howard reveals little-known facts and stories surrounding the men and women who shaped Wicca over the past sixty years, including Aleister Crowley, Alex Sanders, and influential initiates such as Doreen Valiente. From the Museum of Magic and Witchcraft on the Isle of Man to the origins of the Book of Shadows, *Modern Wicca* tracks the expansion of Wicca as it spread from the United Kingdom to the United States and beyond—and takes you inside the political controversies, behind-the-scenes rivalries, and once-guarded secrets of pagan ritual, Wiccan spells, and the Craft of the Wise. Praise: This is an extremely important book, representing an account of Wiccan history from somebody who has himself been a major actor in it.—Ronald Hutton, author of *The Triumph of the Moon*

**The Witch** Ronald Hutton, 2017-01-01 This book sets the notorious European witch trials in the widest and deepest possible perspective and traces the major historiographical developments of witchcraft

*The Once and Future Witches* Alix E. Harrow, 2020-10-13 A gorgeous and thrilling paean to the ferocious power of women. The characters live, bleed, and roar. —Laini Taylor, New York Times bestselling author A NEW YORK TIMES BESTSELLER • Winner of the British Fantasy Award for Best Fantasy Novel • Named One of the Best Books of the Year by NPR Books • Barnes and Noble • BookPage In the late 1800s, three sisters use witchcraft to change the course of history in this powerful novel of magic, family, and the suffragette movement. In 1893, there's no such thing as witches. There used to be, in the wild, dark days before the burnings began, but now witching is nothing but tidy charms and nursery rhymes. If the modern woman wants any measure of power, she must find it at the ballot box. But when the Eastwood sisters—James Juniper, Agnes Amaranth, and Beatrice Belladonna—join the suffragists of New Salem, they begin to pursue the forgotten words and ways that might turn the women's movement into the witch's movement. Stalked by shadows and sickness, hunted by forces who will not suffer a witch to vote—and perhaps not even to live—the sisters will need to delve into the oldest magics, draw new alliances, and heal the bond between them if they want to survive. There's no such thing as witches. But there will be. An homage to the indomitable power and persistence of women, *The Once and Future Witches* reimagines stories of revolution, motherhood, and women's suffrage—the lost ways are calling. Praise for *The Once and Future Witches*: A glorious escape into a world where witchcraft has dwindled to a memory of women's magic, and three wild, Sundered

sisters hold the key to bring it back...A tale that will sweep you away.—Yangsze Choo, New York Times bestselling author  
This book is an amazing bit of spellcraft and resistance so needed in our times, and a reminder that secret words and ways can never be truly and properly lost, as long as there are tongues to speak them and ears to listen.—P. Djèlí Clark, author  
The Black God's Drum For more from Alix E. Harrow, check out The Ten Thousand Doors of January.

Where Witchcraft Lives Doreen Valiente,2014-03-01 Doreen Valiente was one of the most respected English witches to have influenced the modern day Pagan movement. In this book, a re-visit of her first literary outing of 1962, she examines Witchcraft in Sussex, the role of the Horned God, hares and the Moon, folk-rites and the powers of Witchcraft. She is hereby laying the foundations of the modern day Witchcraft movement. As Gerald Gardner is now commonly thought of as the 'Father' of contemporary Witchcraft, so Doreen is known affectionately as the 'Mother of Modern Witchcraft'.

*What We Knew in the Night* Raven Grimassi,2019 Explores the roots of witchcraft while providing an integrated magical system to serve the modern witch. Raven Grimassi is among the pioneering authors of the modern witchcraft renaissance. In *What We Knew in the Night*, he presents a cohesive and complete system of witchcraft based on traditional sources. The author's premise is that, beginning in the 1980s, with the rise of modern metaphysical publishing, authors began presenting very personal witchcraft practices. In the process, traditional and formerly well-established practices fell into obscurity, which potentially lead to confusion. *What We Knew in the Night* uncovers and clarifies those buried gems for a new generation, assembling and integrating key components of witchcraft, past and present. Grimassi lays out key mystical and practical foundations of witchcraft and restores their important role. Sharing lessons and advice from his own almost 50 years of personal study and practice, Grimassi explores what he describes as the heart of the old rites. He also offers practical instructions and a clear 5-step process of empowerment - one chapter for each step - for anyone who wants to walk the path of witchcraft: Virtue of the Moon The Wafting The Witch's Blade The Clay Pentacle The Witch's Ring Having accomplished these steps, the reader will possess the quintessence of witchery and be firmly grounded in the arcane art of witchcraft.

**Spiral Dance, The - 20th Anniversary** Starhawk,1999-09-22 The twentieth anniversary edition of *The Spiral Dance* celebrates the pivotal role the book has had in bringing Goddess worship to the religious forefront. This bestselling classic is both an unparalleled reference on the practices and philosophies of Witchcraft and a guide to the life-affirming ways in which readers can turn to the Goddess to deepen their sense of personal pride, develop their inner power, and integrate mind, body, and spirit. Starhawk's brilliant, comprehensive overview of the growth, suppression, and modern-day re-emergence of Wicca as a Goddess-worshipping religion has left an indelible mark on the feminist spiritual consciousness. In a new introduction, Starhawk reveals the ways in which Goddess religion and the practice of ritual have adapted and developed over the last twenty years, and she reflects on the ways in which these changes have influenced and enhanced her original

ideas. In the face of an ever-changing world, this invaluable spiritual guidebook is more relevant than ever.

The Witch Ronald Hutton,2017-08-01 This “magisterial account” explores the fear of witchcraft across the globe from the ancient world to the notorious witch trials of early modern Europe (The Guardian, UK). The witch came to prominence—and often a painful death—in early modern Europe, yet her origins are much more geographically diverse and historically deep. In *The Witch*, historian Ronald Hutton sets the European witch trials in the widest and deepest possible perspective and traces the major historiographical developments of witchcraft. Hutton, a renowned expert on ancient, medieval, and modern paganism and witchcraft beliefs, combines Anglo-American and continental scholarly approaches to examine attitudes on witchcraft and the treatment of suspected witches across the world, including in Africa, the Middle East, South Asia, Australia, and the Americas, and from ancient pagan times to current interpretations. His fresh anthropological and ethnographical approach focuses on cultural inheritance and change while considering shamanism, folk religion, the range of witch trials, and how the fear of witchcraft might be eradicated. “[A] panoptic, penetrating book.”—Malcolm Gaskill, London Review of Books

**In Defense of Witches** Mona Chollet,2022-03-08 Mona Chollet's *In Defense of Witches* is a “brilliant, well-documented” celebration (Le Monde) by an acclaimed French feminist of the witch as a symbol of female rebellion and independence in the face of misogyny and persecution. Centuries after the infamous witch hunts that swept through Europe and America, witches continue to hold a unique fascination for many: as fairy tale villains, practitioners of pagan religion, as well as feminist icons. Witches are both the ultimate victim and the stubborn, elusive rebel. But who were the women who were accused and often killed for witchcraft? What types of women have centuries of terror censored, eliminated, and repressed? Celebrated feminist writer Mona Chollet explores three types of women who were accused of witchcraft and persecuted: the independent woman, since widows and celibates were particularly targeted; the childless woman, since the time of the hunts marked the end of tolerance for those who claimed to control their fertility; and the elderly woman, who has always been an object of at best, pity, and at worst, horror. Examining modern society, Chollet concludes that these women continue to be harassed and oppressed. Rather than being a brief moment in history, the persecution of witches is an example of society’s seemingly eternal misogyny, while women today are direct descendants to those who were hunted down and killed for their thoughts and actions. With fiery prose and arguments that range from the scholarly to the cultural, *In Defense of Witches* seeks to unite the mythic image of the witch with modern women who live their lives on their own terms.

**A Popular History of Witchcraft (RLE Witchcraft)** Montague Summers,2012-05-23 This is a comprehensive guide to the practices of witchcraft from their inception to the present day. Summers argues that all witchcraft is essentially the same, regardless of geographical location. He examines the practices of the cult in great detail, and its historical progression, within the context of the 1736 Repeal Act of George II.

*History Of Witchcraft* Jeffrey B Russell, Brooks Alexander, 2007-02-20 For nearly thirty years, during which it has been continuously in print, Jeffrey Russell's 'A History of Witchcraft' has been the one authoritative concise illustrated history of witchcraft. Now, in collaboration with Brooks Alexander, who has conducted innovative researches in the field, this classic book has been fully revised with new chapters and illustrations -- publisher website (June 2007).

Witchcraft Evan John Jones, Doreen Valiente, 1999 Revealing the secrets of ancient rituals and the philosophy of witchcraft, this book delves deep into modern witchcraft. The nature of the rites are shown to revolve around traditional witchcraft passed down from ancient times.'

## Reviewing **An Abc Of Witchcraft Past And Present**: Unlocking the Spellbinding Force of Linguistics
